capriolo
(C.A.R. - C.A.P.R.I.O.L.O.)
cutter
by TED GRZESZCZAK

Junior, pop, grandpa will have the time of their lives with this simple stunter. Easily scaled up

What's a prop? Get a 1/2" aluminum fastener 1/8" diameter through with hole from detail. Long hole goes back as shown on the other side.

What could be better? Nitro stickers are made by Film Film. Propeller shown in standard colored plastic. External pulsed motor for motor adjustment.
