

## Friendship and Cooperation Agreement between

## The Municipality of Hebron and the Municipality of Turin

The Municipality of Turin and the Municipality of Hebron has sustained an effort towards the empowerment of their international cooperation activities based on city-to-city policies. These relationships could be also developed through the decentralized cooperation program PMSP (Palestinian Municipalities Support Program) promoted by Italian Ministry of Foreign Affairs, which has sustained the realization of different kinds of projects in the fields of the environmental technology, water supply, cultural heritage and local governance.

### 1. OBJECT OF THE AGREEMENT

The Municipality of Turin and the Municipality of Hebron through their local representatives and during technical exchanges and meetings agreed to subscribe a *Friendship and Cooperation Agreement* according with the law in force, in the following fields of the international cooperation: environment, renewable energy systems, cultural heritage, school and education, professional training, youth, childhood, health and B to B cooperation.

### 2. ENGAGEMENTS OF THE PARTIES

Hebron and Turin agree to sign this Agreement to sustain and promote the Municipalities development by cultural, educational, commercial and tourist programs, through technical exchanges based upon best practices and involving the Universities and Polytechnics, Research Institutes, Local Authorities, ANCI and UPI (Municipalities and Provinces Associations), Institutions and Chambers of Commerce, NGO's.

### 3. COMMISSION OF COORDINATION

The subscribers agree that the Departments of International Affairs and International Cooperation and Peace for the City of Turin, and the Cabinet of the Mayor Office for the City of Hebron, will coordinate the development of the present Agreement.

### 4. EXPIRATION

This Agreement will come into force from date of signing. This Agreement has a validity of 3 years and it could be renewed. The subscribers may terminate this Agreement by giving written notice.

The subscribers declare that any expenses for activities aimed at implementing this *Friendship and Cooperation Agreement* will not imply any additional charges for the public financial system, according to the Italian financial law in force.

This document has been drawn up in English and Italian language. Both texts are identical and have same legal value.

Conform to what has been exposed, the present Agreement is signed in the City of Hebron, the 5<sup>th</sup> of June 2013.
