The time is 80% over.

Do we already have 80% of the results?
Did we already spend 80% of the budget?

What's needed **now** (a joke)

Let's discuss about how to organize the work so that we may agree on a shared methodology to be applied and analyzed....

What's needed **now** (a joke)

Let's discuss about how to organize the work so that we may agree on a shared methodology to be applied and analyzed….

What still needs to be done?
How we ensure that it will actually be done?

Main topics of concern

- Course material preparation

- Didactical Experimentation

- Ontology

- Technical developement

- Financial status

- Deliverables

Checklist

- Each partner should have prepared
  - Financial summary for the period June 2004 $\rightarrow$ April 2005
  - A short presentation of the activities in the period November 2004 – May 2005
  - Report on course material preparation
  - Report on course experimentation

Agenda

Thu 12/05	Fri 13/05	Sat 14/05
1. Introduction	6. Course material	9. Ontology
2. PRAISE re-planning	7. Didactical Experimentation	
3. Dissemination	PRAISE public meeting	10. Future planning
4. CABLE deliverables	7. Didactical Experimentation	
5. Status Update	8. Case Studies	

Barcelona (Spain), 12-14/05/2005

Project monitoring

- ◆ DD2C resigned from their role
- ◆ In Bethel we discussed and agreed
- ◆ Elizabeth Fern (UoA) will act as a consultant of PdT for
  - ▪ Project monitoring
  - ▪ Evaluation of the results (in collaboration with CBSEP)
- ◆ Welcome on board, Liz!

2. Review, Analysis and re-planning of PRAISE activities

Cesare Bernardini, SFEP

Approved results of the discussion (I)

- Load [some] chapters of the book on the PRAISE website

- Add to the Case Study database the logo of the PRAISE project

- Add in the final report the contribution of UP, as an external <u>unfinanced </u>partners, and evaluate them according to ISCO standards for Romania, and annex an official report of the University

Approved results of the discussion (II)

- ◆ PRAISE budget deviations
  - ■ € 10'000, corresponding to travels not used by THC, will be re-distributed to other partners under other cost headings
  - ■ € 10'000 in staff is taken out of THC council and re-distributed to partners.
  - ■ € 1'500 for translation is reduced from each partner and used for translating the book
  - ■ € 5'000 go to PdT for dissemination reporting
  - ■ Production budget will be decided once the publisher is selected from the available quotes

- SFEP prepara dichiarazione per la cessione dei diritti d'autore.

# 3. Dissemination report

Maurizio Lorenzatto, SFEP
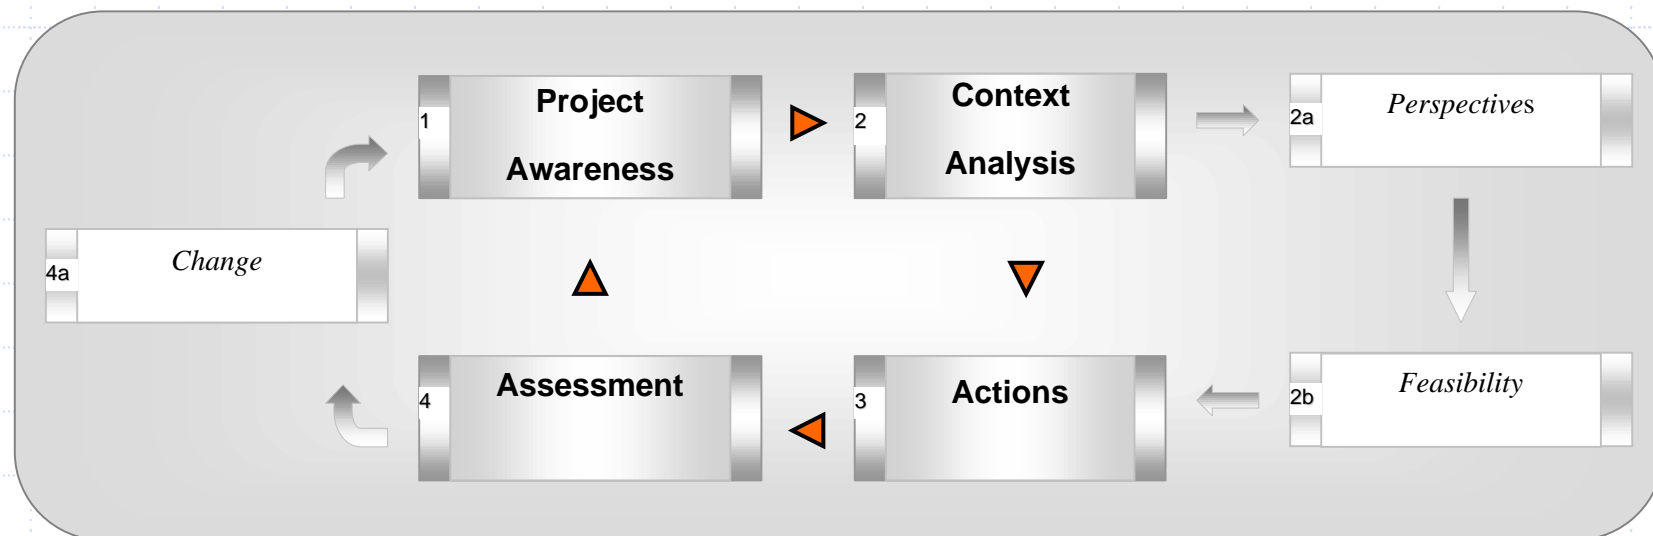

Fulvio Corno, PdT

Dissemination

- Activity in the PRAISE and CABLE workplans
- Coordinated plan of actions
- Includes Dissemination and Sustainability
- Interacts with Monitoring

Dissemination plan

- ◆ Official PRAISE deliverable, sent 15/06/2005

- ◆ Compatible with CABLE dissemination workplan

- ◆ Describes the needed activities

eLEARNIG INITIATIVE

PRAISE:

Peer Review Network Applying Intelligence to Social Work Education

Grant agreement number: 2003 - 4724 / 001 - 001 EDU - ELEARN

Sustainability plan
Dissemination plan

Version number 1.0

15.06.2004

General outline

Warning

- The dissemination plan describes the activities that **each partner** accomplishes

- PdT and SFEP will help collecting and analyzing the information from each partner

Actions

- All: Read and study the dissemination report
- PdT: send tables to fill (20/05/2005)
- All: fill the tables (15/06/2005)
- PdT+SFEP: analyze the tables
- PdT+SFEP: produce the dissemination report (30/06/2005)

Action Items from previous meeting

5. Update from the partners

Moderator: Laura Farinetti, PdT

Status update

- Each partner will present the status advancement of the activities performed in the last 6 months
- The focus will be on the work done by each partner, describing activities carried on in the CABLE project
- Preferably, relate the activities to all the workpackages and tasks in which you were involved

Contents

- Present the work done (management, technical activities, communications, meetings) in the tasks active in the time period 11/2004 to 05/2005

- Present the deliverables produced, both belonging to the official project outputs and additional "working" documents.

- Identify past problems, propose solutions, identify potential future problems

For the record…

- Please provide a COPY of your presentation and/or a short ABSTRACT (1 page)
- Needed for the minutes of the meeting
- Needed for the Final Reports

Partners presentations

- Bethel (missing)
- INFOP
- UP
- UB
- SFEP
- CBSEP
- UHI
- YHSV
- PdT

Immediate actions

- Send me your presentation, **as it is, now**.
- Prepare a **short document** following the form of Kim Roos
  - Synthetic list of the specific actions performed locally
  - Meetings, products, reports, results, …
  - Relevant Task/workpackage
  - Deadline: 31/05/2005
- Distribute evaluation questionaires
- Contact Bethel to get their report

Accomplishments

- Virtual circles are running everywhere

- Many case studies on their way to the database

- All partners have prepared didactical material

- Some partners already experimented the course (moodle-ists)

Top problems

- VLE platform suitability
- Evaluation plan for didactical experimentation
- Ontology is missing
- Project evaluation instruments
- Dates for final meeting
