

## Logistical information

### MEALS

**Breakfast:** breakfast will be provided to **participants hosted by the City of Torino** upon departure of the buses from the Villa Rey Campground.

**Lunch:** a packet lunch will be provided in Piazzetta Reale **for all participants**.

**Dinner:** dinner will be provided in Piazzetta Reale for all **participants hosted by the City of Torino**.

***Attention:** all meals (excluding the packet lunch on Thursday) will be self service.*

### TRANSPORTATION

**Arrival and Departure:** on the days of arrival (Wednesday the 21st) and departure (Sunday the 25th) a shuttle bus will be available to provide transportation for those **participants hosted by the City of Torino** to and from the Torino Porta Nuova railway station and the campground.

**Bus service** to and from the campground and Piazzetta Reale will be provided once a day for **participants hosted by the City of Torino**.

***Attention: observance of bus departure times** indicated in the program is requested. Additional bus service to accommodate late arrivals will not be provided.*

For all other movements it is possible to reach Piazza Castello from the campground using the following **public transit** lines: Linea 54 and 56.

**Linea 54:** reach the bus stop in front of the campground. Take the bus to the Piazza Hermada stop. Proceed on the Linea 56. This service is available only at specific times of the day.

**Linea 56:** procede downhill from the campground until Piazza Hermada. Turn left on Corso Quintino Sella and proceed until street number 54 to the Linea 56 bus stop. Take the Linea 56 in the direction of "Di Vittorio (Grugliasco)".

### TECHNICAL EQUIPMENT

**Electronic Town Meeting [e-TM]:** for participation in the Town Meeting, each participant will be provided a voting keypad and, if necessary, a headset for simultaneous translation.

**Confronting Perspectives:** all the meetings are open to the public; a limited number of headsets for simultaneous translation will be provided on a first-come, first-served basis.

**Elaboration of the Results of the e-TM:** one working area per topic (complete with computer, printer, fotocopier, technical assistant, etc.) will be available for the elaboration of the outcomes and the production of new text and images.

**Photobox:** a "photobox" service will be provided throughout the entire event: a photographer and interviewers will document the proceedings and outcomes of the event with images and interviews.

***Attention:** technical equipment will be distributed in the Reception area **in exchange for a valid identification document** which will be returned only upon return of the equipment (required anytime a participant leaves the working area).*
