

Iscritti totali 2013/2014

32.968

14,12% studenti provenienti da Torino
4.654

34,63% studenti provenienti da fuori Piemonte
11.418

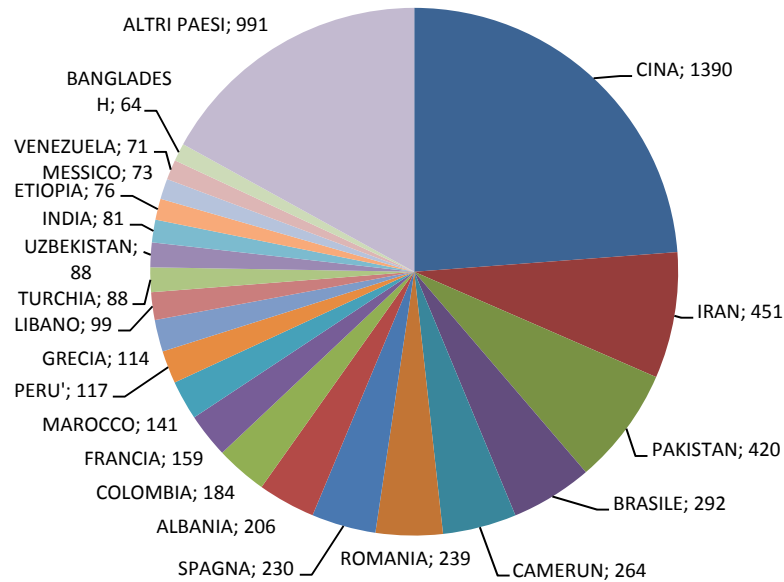

33,54% studenti provenienti dal Piemonte
11.058

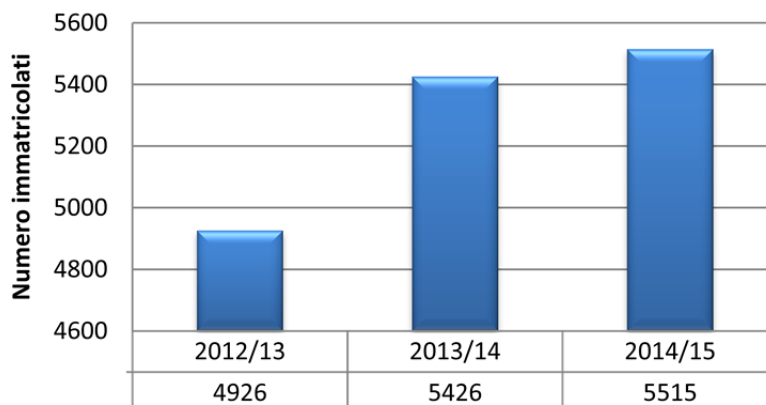

17,71% studenti internazionali
5.838

Provenienza degli iscritti stranieri

Immatricolati

Corsi in lingua Inglese

Laurea triennale (2014/2015)

- Architecture
- Automotive Engineering
- Computer Engineering
- Electronic Engineering
- Mechanical Engineering
- Telecommunication Engineering

+ il primo anno di tutti percorsi dei Corsi triennali di Ingegneria e Architettura

Laurea magistrale (2014/2015)

- Automotive Engineering
- Computer and Communication Networks
- Engineering and Management
- Mechanical Engineering
- Mechatronic Engineering
- Nanotechnologies for ICT
- Petroleum Engineering
- Physics of Complex Systems
- Telecommunications Engineering
- Textile Engineering

Master (2013/2014)

- Jewellery engineering
- Energy management for powertrains
- Future broadband networks
- Industrial automation
- Petroleum engineering and operations
- Space exploration and development systems
- Navigation and related applications
- Tunneling and tunnel boring machines
